- c. The Superintendent shall be provided with copies of individual Committee member's assessments and shall meet with each Committee member who has submitted an assessment to discuss its contents.

An award by the Arbitrator selected pursuant to such rules shall be final and binding on the parties and may be entered into any court, tribunal or commission otherwise having jurisdiction thereof, for enforcement pursuant to the provisions of M.G.L. c.150c or, if c.150c is determined to be inapplicable, then

pursuant to the provisions of c.251 of the General Laws relative to arbitration of commercial disputes. Either party may invoke the arbitration provisions hereunder by filing a demand for arbitration with the American Arbitration Association and the other party. The parties agree to submit to subpoenas issued by the arbitrator. The arbitrator shall not consider any evidence relating to complaints or criticism which has not been previously forwarded to the Superintendent. The arbitrator may enter any and all appropriate relief including but not limited to, compensatory damages due under the contract, costs and reasonable attorney's fees necessary to prosecute the action if the termination was not effected with good cause, but in no case shall such award order or require the reinstatement of the Superintendent to the position.
